

OLD REPUBLIC NATIONAL TITLE INSURANCE COMPANY

September 2, 2010

To Whom It May Concern:

I am pleased to recommend Ray the Mover to your organization. In November of 2009 we consolidated most of our Boston, Massachusetts and Bedford, New Hampshire offices to Andover, Massachusetts. The move consisted of an approximate total of 30 offices and 6 conference rooms. We were quite concerned about the complexity of our move from a high rise in Government Center in downtown Boston. The professionals at Ray the Mover put my mind at ease with their planning, and obvious knowledge and experience. From the estimate, through the execution of the move, Ray the Mover's administrators and crew members were some of the most professional, courteous and efficient staff with whom I have had the pleasure of working. Ray the Mover has become our company of choice for all of our moving needs.

Please feel free to contact me with any questions.

Sincerely,

Dana C. Solms, Esq.
