Manchester, NH 03102

Dear Matt,

Thank you yet again for your help with the Daniel Webster Council Boy Scouts of America. This Saturday is our annual Good Turn for America program "Scouting For Food" and if all goes well we will collect almost a half million food items for our food kitchens and agencies around the state. Your help is invaluable and we are very grateful to you.

In walking up the stairs this morning I really enjoyed the large photos of the "old days" in your family's business. People my age especially appreciate those because we were witnesses.

Good luck Matt with your rehab and thank you again for your help. Please say hi to dad for me.

Sincerely,

Robert A Healy  
Development Officer
