You people are the BEST! I came home at 1:02 pm from our cloing activities and lunch and there in my garage were the cartons as promised! Holy cow! You are the BEST! THANK YOU! Finally customer service you can count on AND at its highest level! Quote me on that!

We will be ready for the men (and women) movers when they cone except for the wardrobes (easy) and the picture boxes for the huge pictures.

Awesome and thank you once again! We are not used to seeing such care!

Michelle:

Thanks to you all for a great move! You held our hands when we were anxious, you gave us calm when we felt like we took too much, you assured us that all is OK when we showed some doubt. Not a minute went by without you there for us. Thank you!

Lewis and Will were great in St. Augustine. John, Lewis and (sorry, I do not remember third loader's name) were great in Nashua. Ray the Mover is #1!
