Manchester's Ray the Mover came up big for LHS band

To the editor,

Many thanks to a Manchester business!

The Laconia High School Band, Concert Choir & Color/Winter Guard recently took a trip to Walt Disney World in Florida. All three groups went there for competitions. A great time was had by all, what an amazing group of young men and women.

Our trip was made more enjoyable and affordable do to Ray the Mover. This business was amazing and stepped up to the plate, when we needed help to ship our uniforms

and equipment. They saved the band boosters thousands of dollars on the shipping cost and for that they have our sincere THANKS and GRATITUDE for a job well done.

Please remember the businesses that help out our schools through the year and use them for all your business needs. Thank You to Raymond (owner), Matthew, Michelle, Louis, Karyn & Chris at Ray the Mover for all your help and support. You are all a special group of people.

Lisa Moulton, co-president
Laconia High School Band Boosters
